

What are blogs? - What are wikis?
What are podcasts? - What is “web 2.0”

Why should I care as a teacher?

How can these tools be used to help students learn and engage in the learning process?

Come join a FREE online international conference about “Unleashing the Potential” of “web 2.0” tools and resources! The conference will be held online October 23-27 and October 30 - November 3, 2006.
